Dear Selim Erman,

Thank you for contacting Network Solutions. We are committed to creating the best experience for you.

We would like to inform you that a confirmation email regarding the domain transfer for [KIZILAYAVM.COM](https://www.kizilayavm.com) has been sent to your primary email address. As part of the domain transfer process, your confirmation is required to proceed with the next steps.

If you have not received the email, we kindly ask that you check your spam or junk folders, as the message may have been filtered there.

Once located, please review and confirm the transfer request as soon as possible to ensure the timely processing of your domain.

Should you need further assistance or if the email cannot be found, please do not hesitate to let us know.

Please note that this ticket will remain open for the next 96 hours (4 days). If we do not receive a response within that timeframe, the ticket will automatically close.

I hope this information has been helpful. We appreciate your business!

For questions, please visit our online support center at <https://www.networksolutions.com/knowledge>.

Kind Regards,

Gianni M.
